NANCY'S NOTES 12-1-2020

Hello Brevard Feed and Seed Customers,

Check out our Website at brevardfeed.com

Hope all is well with everyone. Things will be getting a little busier with the change in the weather and holidays upon us. Continue being wise and safe. We are here for you and to help where we can. Thanks for letting us serve you.

It is garden, fertilizer, weed control and last-minute planting time. Let us help you with these projects.

"The Vegetable Starter Plants and Onions are In Now"

Seed packages are here. We do carry some seeds in bulk. Be sure to ask us about this.

With all this lovely rain, the BUGS are moving around. We can help with these issues!

Some of the supplies that we need may be on BACKORDER. We are trying our best to get items in as quick as possible. **If you do not see what you need, please ask for assistance, we might still be able to assist you with your project.**

We want everyone safe and healthy. So please be cautious and considerate of your surroundings. We are doing our best to maintain social distancing and keeping our common areas sanitized. Remember, we always load for you, maintaining our safe distance. If you are not feeling well, you can call ahead, prepay, email (brevardfeed@cfl.rr.com), and even have someone else pick up your items. It is less busy early in the day. Maybe schedule your day around picking up your barn or gardening supplies earlier in the day. We value and appreciate you as our customers and are doing our best to serve you. Just let us know what you need.

Ok, now for BF&S news:

CHICKS are here. They are sexed. You can purchase 1 or 100, either is fine. We have older chicks and will be getting baby chicks in a few weeks. We have all the equipment that you will need to get them going.

The parasites and FLEAS are active. There could be several things happening with your animal that might be a parasite issue. We can help you with these concerns.

Let us help you with your Fall planting projects. Proper seed, fertilizer, and "Rye Grass" serves many purposes. We can answer your questions and help you get going. We have the supplies and knowledge to get you going. Let us help you get the proper products that you may need.
