NANCY'S NOTES 1-1-2022

Hello Brevard Feed and Seed Customers,

Check out our website at brevardfeed.com

Happy New Year and Best Wishes for 2022. Hope all is well with everyone and that you had a great holiday. Things will be getting a little busier with the change in the weather. Everything gets treated a little different in the cooler seasons.
Please Continue being Wise and Safe. We are here for you and to help where we can. Thanks for letting us serve you.

Ok, now for BF&S news:

We want everyone safe and healthy. So please be cautious and considerate of your surroundings. We are doing our best to maintain social distancing. Remember, we always load for you, maintaining our safe distance. If you are not feeling well, you can call ahead, prepay, email (brevardfeed@cfl.rr.com), and even have someone else pick up your items. We value and appreciate you as our customers and are doing our best to serve you. Just let us know what you need.

We are currently seeing a price increase in Supplies, Specialty Hay, livestock and pet feed prices. Hang in there folks, we are doing all we can for you. Please talk to us if you have questions about your feed program or changes you might want to make.

Some of the supplies that we need may be on BACKORDER. We are trying our best to get items in as quick as possible. **If you do not see what you need, please ask for assistance, we might still be able to assist you with your project.**

Let us help you with your Planting Projects

"The Vegetable Starter Plants are In"
"Grass Seed and Fertilizer"

We do carry some seeds in bulk and in packages. Be sure to ask us about this.

Proper seed, fertilizer, and "Rye Grass" serves many purposes. We can answer your questions and help you get going. We have the supplies and knowledge to get you going. Let us help you get the proper products that you may need.

Whether it's BUG or RODENT, we can help with these issues!

Flies are everywhere! We can help.

The PARASITES and FLEAS are active. There could be several issues happening with your animal that might be a parasite related. There are several areas to attach with concerns of the flea population. We can help you with these concerns.

IT'S TIME TO EAT!

Grill Pellets

Louisiana Grills BBQ Pellets are made of 100% natural hardwoods. No artificial flavors, no spray scents, no glues, no chemicals are added to our pellets. The pellets are held together with the natural lignin found in the wood.
Competition Blend and Many other Flavors

- 50% Maple, 25% Hickory, 25% Cherry
- A perfect blend of sweet, savory and tart
- Used by many Professional Pit Masters

Bear Mountain Pellets

- The perfect blend of 100% premium, all-natural hardwoods - no flavorings, fillers, or additives
- Low moisture for the perfect smoke
- Use with all outdoor pellet, gas, charcoal or electric grills and smokers. Works well with all major brands of grills, including Traeger, Pit Boss, Louisiana Grills, and Green Mountain Grills.
- 20 lb bag (20"L x 14"W x 4"H)
- Made in the USA
