NANCY'S NOTES 9-1-2022

Hello Brevard Feed and Seed Customers,

Check out our website at brevardfeed.com

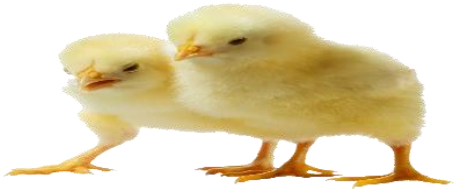
Hope all is well with everyone. Please be cautious with yourself and your animals in this warmer weather! (Fall is Coming!) Try to save time and fuel by purchasing for 2 weeks vs 1 week. We are here for you and to help where we can. Thanks for letting us serve you. Have a great and safe month.

We want everyone safe and healthy. Remember, we always load for you. If you are not feeling well, you can call ahead, prepay, email **(brevardfeed@cfl.rr.com)**, and even have someone else pick up your items. We value and appreciate you as our customers and are doing our best to serve you. Just let us know what you need.

Ok, now for BF&S news:

We are currently seeing a price increase in supplies, specialty & coastal hay, livestock, and pet feed prices. Hang in there folks, we are doing all we can for you. Please talk to us if you have questions about your feed program or changes you might want to make in your program.

Some of the supplies that we need may be on BACKORDER. We are trying our best to get items in as quick as possible. **If you do not see what you need, please ask for assistance, we might still be able to assist you with your project.**



Chicks Are In!

No minimum amount required. All your needed supplies.

Let us help you with your Planting Projects

"Vegetable Seeds"
"Grass Seed and Fertilizer"

We do carry some seeds in bulk and in packages. Be sure to ask us about this.

Proper seed, fertilizer, and "Rye Grass" serve many purposes. We can answer your questions and help you with your project. We have the supplies and knowledge to get you going. Let us help you get the proper products that you may need.

Whether it's BUG or RODENT, we can help with these issues!

Flies and Mosquitoes are everywhere! We can help.

The PARASITES and FLEAS are active. There could be several issues happening with your animal that might be a parasite related. There are several areas to attach with concerns of the flea population. We can help you with these concerns.

IT'S TIME TO EAT!

Grill Pellets

Louisiana Grills BBQ Pellets are made of 100% natural hardwoods. No artificial flavors, no spray scents, no glues, no chemicals are added to our pellets. The pellets are held together with the natural lignin found in the wood.
